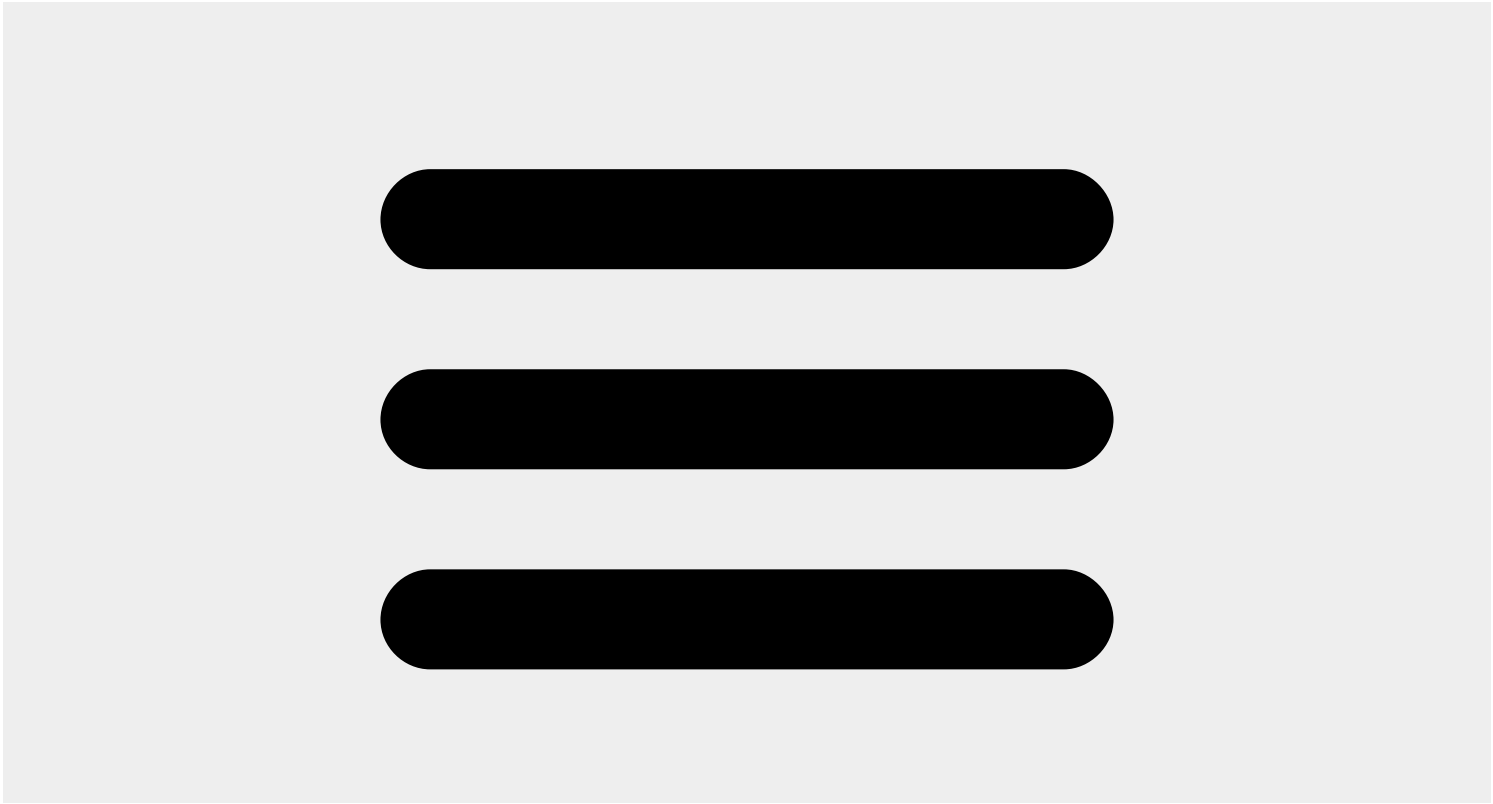
IACS BOBCAT FIRE PROJECT - LOS ANGELES SHERIFF'S DEPARTMENT

Posted on May 5, 2021 by IACS Admin Team



IACS continues to care for first responders during California wildfires. Together partnership with San Marino Griffins Lions Club, we visited Los Angeles County Sheriff's Department Temple Station and California Highway Patrol Altadena with our gratitude for their service.
Los Angeles Sheriff's Department deputies from all stations arrive each day & deploy to patrol the evacuated zones in the #BobcatFire.
